Renault MASTER

RENAULT
Passion for life

A model of diversity

The diversity of the Master range brings you an exceptional range of possibilities of panel vans and chassis cab. Renault Master is available in both front and rear wheel drive versions, with single or twin wheels when the load carried or road surface requires greater traction. Available in three lengths and three heights, Renault Master brings you a choice of load volume: from 8 m³ to 17 m³.

Interior fitting for illustrative purpose

A real work space

With optimal visibility, ergonomic controls, an adjustable driver's position and lots of handy storage compartments, the cabin looks and feels professional. Enjoy a pleasant, restful drive in the light, spacious and comfortable cab with optimised air conditioning and sound insulation. When the vehicle is stationary, it turns into an office, with a rotating tablet, and generous interior storage so you can keep all your working tools within easy reach. For navigation and communication, Master brings you Media Nav2.0, a simple, functional system, with an integrated 7" touch screen.

Layout diagrams

Closed transport

To meet your wide-ranging requirements, Renault Master features an infinite range of interior layouts, with loading volumes of up to 17 m³! With this van, all kinds of transport are possible, just choose the effective volume that suits your needs. Front-wheel drive panel van available in 2 different dimensions L1H1 and L2H2. Rear wheel drive panel van available in L4H3.

Front-wheel drive panel van

Rear-wheel drive panel van

Open Transport

Available in rear-wheel drive, the chassis cabs are designed to handle large loads and can accommodate several different bodyworks.

- Speed sensitive door locking
- Central door locking
- ESP
- Tyre pressure monitoring system
- Dark & grey upholstery
- Wheel cover
- Pollen filter
- Dark interior harmony
- Electric front windows
- Media Nav2.0 navigation system
- Rear steel doors with 180°opening
- Right sliding door
- 12V power plug
- Underbody protection
- Floor anchorage points in the load area
- Radio Arkamys sound, with integrated 7" touchscreen, USB/jack, BT
- Cruise control / Speed limiter
- 100 Liter fuel tank
- Electric mirrors
- Normal size spare wheel
- 16" steel wheels
- 2 buttons key

OPTIONAL features

- Automatic headlamps and rain sensing wipers + Regulated air conditioning + Fog lamps
- Adaptation box (AMM) for body convertor
- Bench with storage on the center back seat, rotating tablet + storage under cushion
- Wiring for specific body-converters usage
- Glazed bulkhead (with window)
- Glazed bulkhead with mesh & window
- Full wheel cover
- Bumper with integrated foot step
- Rear glazed doors with 180°opening + Heated rear window
- Right sliding door with fixed window + Left panel with fixed window + Fixed windows on body side rear panels
- Right sliding door with opening window + Left panel with opening window + Fixed windows on body side rear panels
- Side anchorage points in the load area
- Rearview camera & rear parking sensors
- Rear parking sensors
- Closed storage on upper center console
- Synthetic leather
- Hand free key
- 3 buttons key

3-SEATER PANEL VAN –L2H2

STANDARD features

- Side driver airbag
- Front driver armrest
- Trip computer
- Driver & passenger airbags
- Smoker accessories
- Bench with storage on the center back seat and rotating tablet
- Air conditioning
- Full steel bulkhead (without window)
