

# Renault Kwid gets 50,000 bookings in first month

French car maker Renault has received over 50,000 bookings for entry-level car Kwid in India in less than a month of its launch. The company is also ramping up the production to meet the demand, Renault India said in a statement. Renault had launched Kwid in last week of September, at a starting priced of ₹2.56 lakh (ex-showroom Delhi).
