

RENAULT INDIA REGISTERS GROWTH OF 173% IN JUNE

New Delhi, July 01, 2016: Renault India, one of the fastest growing automotive companies in India, registered a growth of **173%** with monthly domestic sales of **11,837** units in June 2016 as against **4,340** units in the corresponding month last year. The cumulative sales for the period of January-June stands at **61,895** as against **23,346** in the corresponding period last year, thereby registering a growth of **165%**.

Together with its product offensive strategy to drive volumes in India, Renault is also substantially increasing its sales and network reach in India. From the current network strength of more than 210 sales points, Renault aims to increase its reach to 270 facilities by the end of 2016.

In addition to this, Renault is also foraying into relevant automotive business services to best suit the Indian customer. These include RENAULT selection, Renault's pre-owned car business brand which provides a transparent and reliable platform for customers interested in buying, selling and exchanging certified pre-owned cars of all brands; Renault Finance, offering customized finance solutions with fast processing and simple processes; Renault Assured, enabling cashless accident repairs at all Renault Dealer workshops with faster claim settlement; and Renault Secure, which covers Road Side Assistance and Extended Warranty.

Renault is driven by Passion and Innovation and will keep building on this growth momentum in India, delighting customers with world-class products and services which have been designed to achieve the aggressive business goals outlined for India.
