- Also launches new **Radiant Red colour** and **Roof Rails** as a standard feature in RXT Petrol, RXT Diesel & Platine Diesel

New Delhi, October 12 2018: Renault, the number One European automotive brand in India, has announced attractive pricing and new features on the CAPTUR range. Enhancing its overall SUV appeal, Renault Captur now comes equipped with roof rails as a standard feature in RXT Petrol, RXT Diesel & Platine Diesel. Creating a unique vehicle class, led by its stunning expressive design, premium & class-leading features, innovative technology, India's most stylish SUV, Renault CAPTUR is offered at an outstanding price enabling an unmatched value proposition.

Renault CAPTUR has a stunning French design clearly reflecting Renault's new design DNA. Together with its global styling cues, the designing of Renault CAPTUR also accounts for Indian conditions and consumers' preferences, with Renault CAPTUR being the widest and longest offering in its category, with best-in-class ground clearance of 210mm. This is well matched by an elevated driving position that offers wraparound panoramic visibility, which sets a new benchmark for comfort.

Renault CAPTUR comes loaded with more than 50 premium features as standard offerings from the starting variant onwards. These include projector headlamps, C-shaped Sapphire LED DRLs, fully automatic temperature control with rear cooling vents, integrated audio system with USB & Aux-in and Bluetooth®, steering wheel controls, push-button start with remote central locking, dual airbags, Antilock-Braking System (ABS) with Electronic Brake Distribution (EBD) & Brake Assist and rear defogger with wiper.

The top-end variant, 'Platine' which is the most premium version across Renault cars, features ultra-premium white and gold interiors and takes the feel of sophistication a notch higher with AC vents engulfed in chrome, along with the stylish bezel with golden finish. Its ErgoDesign leather seats are engineered to set a new benchmark in comfort, and are 6-way adjustable.

Renault CAPTUR delivers the next level of drive experience enabled by the One Integration concept, Renault's design approach that seamlessly connects car and driver. Renault CAPTUR is equipped with modern hi-tech solutions which makes driving comfortable and pleasant. These include the smart access card, the Infinity Instrument Cluster enabling a complete cockpit experience, a user-friendly new generation Intelligent ULC 3.0 multimedia navigation system with a seven-inch display, voice recognition (for iOS), maps along with temperature and time display.

Renault CAPTUR is available with both petrol and diesel powertrain options. For the petrol option, it will be powered by the 16 valves 4 cylinder 1.5L H4K petrol engine mated to a 5 speed manual gear box, producing 106 PS at 5,600 rpm and 142 Nm of torque at 4,000 rpm. The petrol powertrain delivers a mileage of 13.87 kmpl (ARAI certified).

The diesel version is powered by the 1.5L K9K diesel engine (common rail injection), mated to 6 speed manual gear box, delivering a maximum power of 110 PS at 3,850 rpm and peak torque
