New
Renault DUSTER
The true SUV
Experience the true power of petrol with the new Renault DUSTER. The revolutionary 1.5 litre petrol engine is tuned perfectly to generate an impressive 106 PS of power and 142 Nm of torque.

But power is nothing if it's not delivered dynamically. That’s why the DUSTER’s new petrol engine comes mated with a state-of-the-art X-tronic CVT (Continuously Variable Transmission). The transmission automatically calculates the perfect engine speed for every situation to deliver optimal power instantly and efficiently.

The DUSTER also comes with a powerful 1.5 litre diesel engine. Available in two avatars, the AWD variant is designed to adapt to any terrain while the 6-speed Easy-R AMT variant makes driving effortless even in the harshest conditions.

Finally, an SUV that lives up to the term.

New Renault DUSTER. The true SUV.
Power meets efficiency.

NEW 1.5 LITRE PETROL ENGINE: The new Renault DUSTER features a responsive and fuel efficient 1.5 litre petrol engine. With an exceptional power of 106 PS and maximum torque of 142 Nm, it is tuned to deliver a smooth drive, both within and beyond city limits. Mated with the X-tronic CVT gearshift, it offers the best of both worlds - enhanced performance with superior mileage. For those who prefer to take matter into their own hands, the new Renault DUSTER petrol is also available in manual transmission.

1.5 LITRE dCi DIESEL ENGINE: The new Renault DUSTER boasts of the renowned dCi 1.5 litre diesel engine and offers you a choice of two power outputs: 110 PS and 85 PS. It comes with a torque of 245 Nm and 200 Nm respectively. The powerful 110 PS version has a 6-speed manual transmission with gear ratios perfectly matched to the engine’s output. As a result, everyday drives in start-and-stop city conditions remain pleasurable. At the same time, it ensures an ability to cruise at high speeds on the highways. The 85 PS version features a 5-speed manual transmission that gives you the best drive in stop-and-go traffic conditions and delivers best-in-class fuel efficiency.
Drive effortless every day.

The power led performance of the new Renault DUSTER is enhanced by the new X-tronic CVT gearshift. It is engineered to avoid shift-shock, while delivering seamless acceleration. This new technology offers improved responsiveness, giving better stability, fuel efficiency and control to the car even in heavy traffic.

The four gear modes - Parking (P), Reverse (R), Neutral (N) and Drive (D), make driving effortless. Furthermore, the 6-speed Manual mode option (M) also allows you to have a hands-on driving experience whenever you want to. Now cruising through the city is smoother and more enjoyable.

The new Renault DUSTER also comes with India’s first 6-speed Easy-R AMT, which delivers a comfortable drive and a superior mileage. Furthermore, the driver can change his preference and switch to manual transmission at any time on the drive.
Go further with technology.

The new Renault DUSTER is designed to power your need for adventure. The state-of-the-art Eco mode option delivers a superior fuel efficiency. Advanced features like steering mounted controls, multi-information display and gearshift indicator have been incorporated for your convenience. The display indicator lets you know your current mode of driving. The fuel efficiency meter keeps you one step ahead and optimises your driving experience. While the cruise control option helps make driving hassle-free.
Entertainment at your fingertips.

The first-in-class MediaNAV ensures an entertaining and relaxed drive. The touchscreen infotainment display features radio, USB and Aux-in connectivity and GPS navigation as well. The MediaNAV also eases your driving experience by enabling hands-free calling. Now wherever you go, stay connected.
World-class safety and security is in the DNA of the new Renault DUSTER. Packed with thoughtful features like ABS, ESP® and EBD with Brake Assist, safety is never compromised, regardless of the terrain. Moreover, dual front airbags are designed to absorb heavy impact while the monocoque body provides increased torsional rigidity.
Adventure now comes with convenience.

Now have complete control on city roads and uncharted terrains. The new Renault DUSTER is designed to make your drive even more convenient. The Hill-Start Assist holds your car for 2 seconds, making an uphill drive effortless. The accurate reverse parking camera with guidelines and rapid deceleration warning lets you avoid collisions while reversing.
Power and poise find balance in the new Renault DUSTER. 210 mm of ground clearance, high approach and departure angles, and the All Wheel Drive mode with incredible traction allows you to conquer any terrain with ease.

The advanced AWD also boasts of the power of discretion. This mode allows the car to adapt to any kind of terrain and delivers an effortless driving experience.

Ready to off-road.
Step in for adventure.

Get ready to drive in style with the new Renault DUSTER. It comes with sleek crimson black interiors that complement the centre fascia with metallic chrome accents. The signature DUSTER branding on the dashboard with autumn surrounds make a statement while features like door panel power buttons, AC vents, sporty red chrome handle and dual-tone seats with sporty double spacer fabric give the car a dynamic look. So sit back and enjoy the drive.
Escape the city with ease.

Now drive outdoors with utmost comfort. The new Renault DUSTER delivers complete driving ease with every feature crafted to heighten your experience. The 8-way adjustable driver’s seat with lumbar support, adjustable steering wheel and the front and rear armrests ensure a relaxed drive. While the automatic climate control and 4 speakers make it more enjoyable.
Additionally, features like illuminated glove box, the innovative anti-pinch window and electrically adjustable & foldable ORVMs with turn indicators are built-in for convenience.

The generous boot space of 475 litres, expandable up to 1064 litres, assures plenty of space for fun.
Adventure starts where the city ends.
